

POLICE STATION FACT SHEET - APPROX 1,500 SQ FT

1. The famed movie "Serpico" was shot on this set in 1981. Al Pacino was often seen arresting crew members and throwing them in jail cells. He thought the police station was real and could not get out of character.

2. Shawshank Redemption was inspired by a prisoner who was housed here from 1948-? He disappeared and has never been found.

3. Al Copone was housed here for one week as he was being transferred from Chicago to Alcatraz in 1932.
