

HOSPITAL FACT SHEET - APPROX 1,500 SQ FT

1. The hospital scenes from the classic movie "Love Story" were originally shot at Silver Dream Factory in 1965. But the set was deemed too authentic by studio executives and was re-shot at a different soundstage using painted canvas flats!

2. A Doctor who was technical advisor on set suddenly began to treat actors as patients because he became confused thinking he was in a real hospital!

3. Al Capone was treated here for S.T.D.s he contracted in Tijuana, Mexico while being transferred to Alcatraz in 1928!
