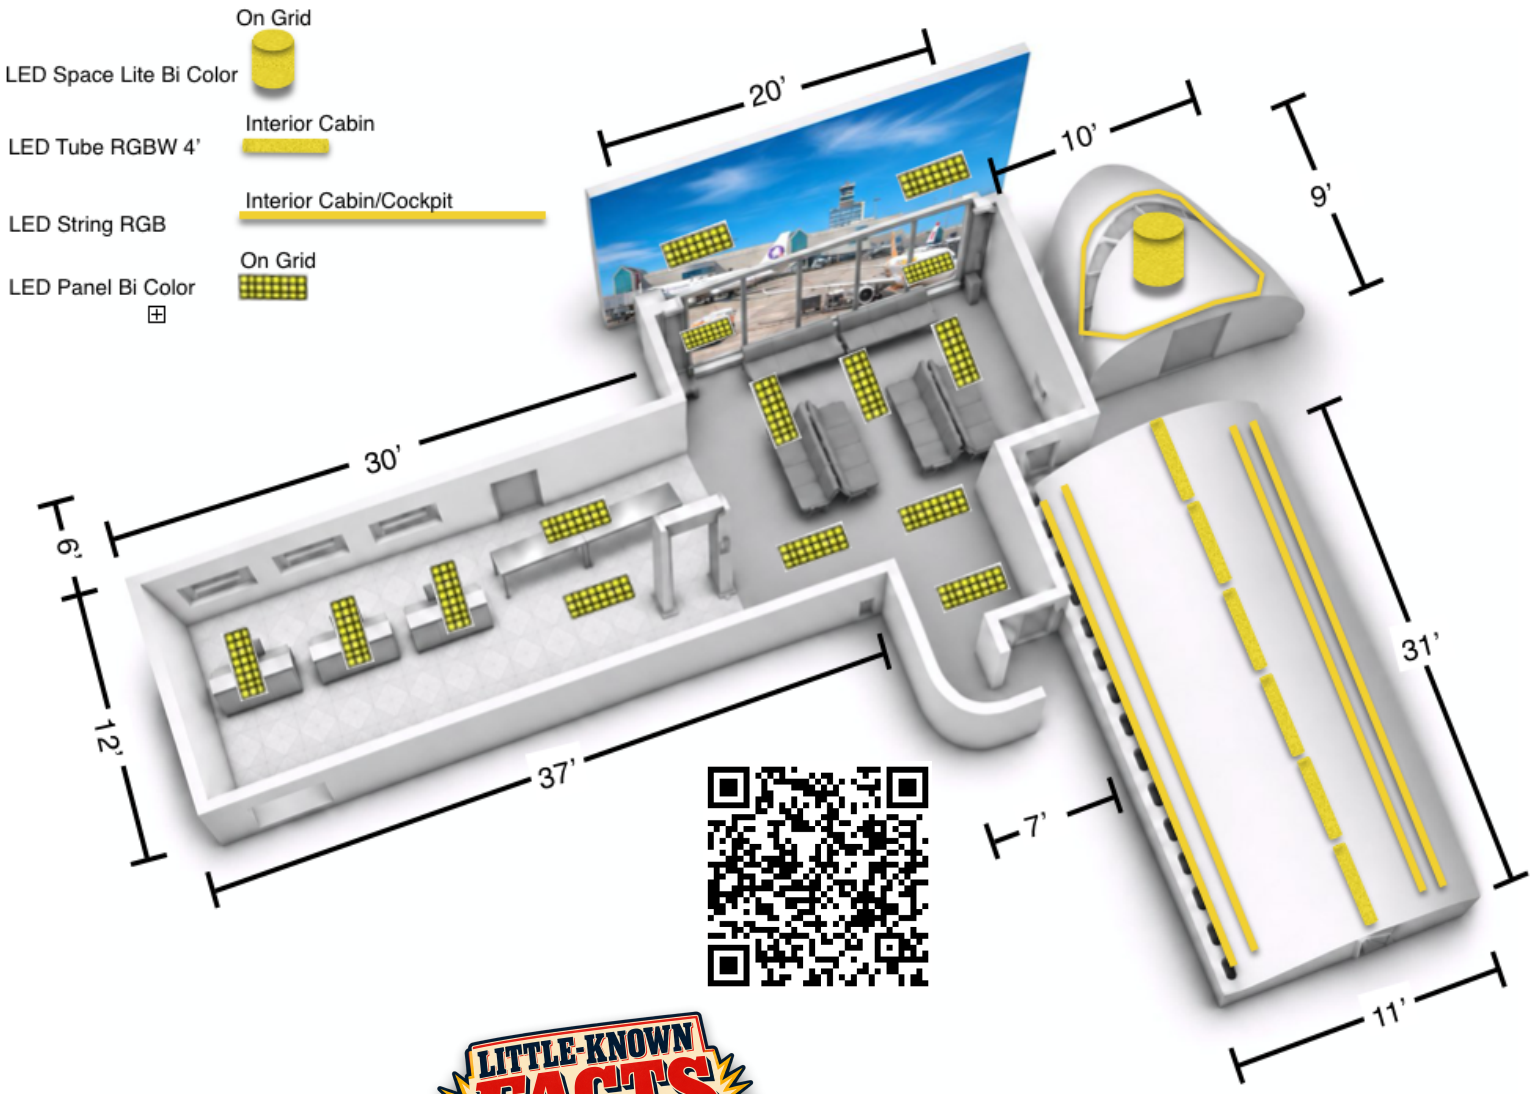
Aviation Air Wing Fact Sheet - APPROX 2,000 sq ft



Fact 1. Captain Chesley Sullenberger III "Sully" wanted to test fly our Cockpit by landing it into the Santa Ana River. We graciously declined, but were honored.

Fact 2. Amelia Earhart booked her last commercial flight on this plane cabin on her way to a ground-breaking around the world flight in 1968.

Fact 3. Howard Hughes considered our Airport Terminal his most stunning achievement in aviation history!
